

Backpacks 4 SA Kids is on a mission to make a tangible difference in the lives of children facing adversity. We believe that every child deserves a brighter future, and we invite you to join us in creating positive change.

We operate three vital programs that require continuous support to make a lasting impact. These programs include:

The **Backpacks** program is designed to provide age appropriate emergency clothing, toiletries and other necessary supplies (such as nappies, bottles and cuddle toys) for children aged 0-16 years who are taken into care as a result of neglect or abuse, or who need to quickly leave their homes due to family violence, or who are experiencing homelessness.

The **Home Starter Pack** program is designed to support families who are starting again after being affected by domestic violence. The packs include plates and cutlery, sheets and towels and basic kitchen items like a toaster or kettle to help a family start again.

The **Anchor Pack** program is geared to the needs of young people aged 12-25 years experiencing primary or secondary homelessness (e.g. sleeping rough, temporary, unsafe or unsuitable accommodation such as sleeping on a friends' couch). These packs are filled with items to assist them during all types of weather conditions, have personal hygiene items, public transport fee support, plus information on how and where to get help. We also include items such as pencils and sketch pads to give them some support for their mental wellbeing.

.....Help us **MAK**e a difference.....

**EMpowering
Communities,
Changing Lives**

**Together, we can make a lasting impact
on the lives of vulnerable children.**

**Join the Backpacks 4 SA Kids community
in creating a brighter future—
one backpack at a time.**

**.....IMAGINE the stress & anxiety
that a child ENDURES as they are taken
from their HOME Leaving possessions
& comforts behind.....**

...Join the Backpacks 4 SA Kids Community...

Make a meaningful impact on the lives of vulnerable children in South Australia by aligning your brand with our mission. As a valued partner, your business will have the chance to directly support our programs, including Backpacks, Home Starter Packs, and Anchor Packs, providing essential resources to children facing adversity. Collaborating with us offers unique branding and marketing opportunities, showcasing your commitment to social responsibility and community welfare. Together, we can create a future where every child has the support they need to overcome challenges and thrive.

There are numerous ways your business or organisation can get involved and contribute to our impactful programs.

...New Warehouse...

To meet growing demand for our services we are in search of a new place to call home in Adelaide's northern suburbs. We welcome a conversation on opportunities such as land lease, land purchase, commercial lease options and potential involvement in the construction process if land is identified for a new building. Find your way to help build a legacy.

...Tap into Your Network...

Engage with your network to help us find potential funders, land owners, sponsors, or donors who can play a pivotal role in realising our new warehouse project. Your influence can spark a chain reaction of support.

...Financial Contribution...

Direct financial contributions are crucial to sustaining our programs. Your funds directly impact our ability to provide Backpacks, Home Starter Packs, and Anchor Packs to children facing crisis.

...Donate Your Skills and Expertise...

Donate your professional expertise and skillsets to enhance our mission to support children in need. Your skills will contribute directly to the organisation - consider making a difference with your talents!

...Direct Collect Bin...

Order a Direct Collect bin for your workplace and collect recyclable containers. This initiative not only encourages environmental responsibility but also supports our vital Backpacks, Home Starter Packs, and Anchor Packs programs.

...Corporate Packing Sessions...

Have your team engage in a session with us! A \$500 donation not only contributes to our mission but also unlocks a unique team-building experience. Your team will have the opportunity to actively participate in sorting, packing, and preparing essential items. This hands-on engagement fosters a sense of camaraderie among your employees while making a direct impact on the lives of children facing adversity.

...Share on Social Media...

Be a powerful advocate for change by becoming our voice in the community. Share the inspiring stories, impactful initiatives, and meaningful updates we regularly post on our social media platforms with your family, friends, and professional network. Your commitment to amplifying our message not only raises awareness but also serves as a catalyst for garnering additional support.

...Fundraising Events...

Host a fundraising event to generate donations of goods or financial support for Backpacks 4 SA Kids. From charity walks to galas, bingo nights to scavenger hunts, your creativity can turn any event into a powerful force for good.

...Donations Drive...

Support our cause by donating and encouraging your employees, suppliers, and clients to participate in a donations drive. Collect items for our three programs, fostering a sense of community engagement and shared responsibility.

...Become a Drop Off Point...

Embrace the opportunity to accept public donations and serve as a vital link between compassionate individuals and those in need. By opening your doors to accept contributions for our Backpacks programs, you play a pivotal role in uplifting the lives of children facing adversity.
