DONATION GUIDELINES

At Backpacks 4 SA Kids we love the amount of donations we receive from our amazing supporters. We have created these guidelines to help you to know what donations we accept and the condition in which they need to be. All items need to be able to fit into a standard size backpack along with a lot of other essential items so **size is important. Quality is also paramount.** Please do not donate items that you would not give to a special person in your life.

These kids deserve the best we can give them.....Thank you for your support.

Because they're worth it
